

DEVELOPING LEADERSHIP TEAMS QUICK CARD SUMMARY

Overview

Leader Team - A group of leaders within a congregation or organization that functions as a conduit between their individual groups and the larger organization. Team members help extend the in reach and outreach capacity of their congregation or group. Leadership team members are responsible for conducting person to person within their group. Teams are also responsible for sitting on organizational sub-committees.

Leadership Team Objectives:

- 1.) Identify a group of leaders within a congregation or group that will assume responsibility for representing their congregation or group within the larger organization.
- 2.) Expand the leadership footprint of their congregation or group and the larger organization.
- 3.) Formulate public policy concerns and proposed solutions. Advance proposed in the public arena.

Leadership Team Implementation

- 1.) Identify 5 to 7 lay leaders in congregation/group.
- 2.) Train leaders to conduct in reach & outreach.
- 3.) Conduct in reach - identify internal policy concerns.
- 4.) Conduct outreach - confirm policy concerns with larger community.
- 5.) Prioritize policy concerns W/ larger organization.
- 6.) Form issue development sub-committee.
- 7.) Advance policy concern in public arena.
