What you need to know about COVID-19 vaccines

AVAILABLE AT NO COST
COVID-19 vaccinations are available and offered to Californians for free regardless of income or immigration status.

SAFE
Top medical experts confirm the COVID-19 vaccines are safe.

EFFECTIVE
The two-dose vaccines are up to 95% effective.

PRIVATE
Your personal information is confidential and protected. COVID-19 testing and treatment alone, including vaccinations, do not count under the public charge rule.

Even after being vaccinated, you should continue to wear a mask, wash your hands, and watch your distance until the vaccine has been widely distributed.
